Riesling

Riesling, the most noble of white grapes, originated in the Rhine region of Germany. Riesling is an aromatic grape variety displaying a powerful and distinctive flowery aroma. Depending on its provenance, Riesling is perfumed with citrus, apple, pear and stone fruit that frequently mix in mineral elements. The Rieslings listed below are all of a dry style.

Semillon

Bottle-aged Hunter Semillons exhibit a buttercup-yellow colour, burnt toast or honey characteristics on the nose and excellent complex flavours on the palate, with a long finish and soft acid. Young Hunter Valley semillon typically a dry wine, boasting citrus flavours of lemon, lime or green apple.

Pinot Gris and Pinot Grigio

The French call it Pinot Gris, the Italians call it Pinot Grigio, and it is a mutant clone of the Pinot Noir grape. The grape has a brownish pink to black and sometimes white appearance. Classic Pinot Gris characters include honey and fresh butter balanced by a touch of tinned pears, dried apples and hay with a slightly sweet finish. Pinot Grigio is often described as having smoky and salty mineral notes, pink grapefruit, melon and lemon and balanced by great acidity.

Sauvignon Blanc

Sauvignon Blanc is a very aromatic variety that produces the best results when grown in cool regions. New Zealand Sauvignon Blancs have taken the world by storm. In Australia we do a good job with the variety often producing a softer and more fruit focussed style.

Rosé

Rosé is a wine that goes through the red winemaking process, but is stopped before extracting too many of the red wine characteristics. Made from the red varietals, the grapes are pressed and the juice sits with the skins for fermentation – but only for a little while – enough time to obtain a bit of colour and a bit of the skins characteristics.

2014	Teusner Salsa	Barossa Valley	SA	49
2012	Polin & Polin	Hunter Valley	NSW	46

Pinot Noir

The aroma of Pinot Noir is often one of the most complex of all varieties. With ripe grape or black cherry aromas, frequently accented by pronounced spiciness that suggests cinnamon, saffron or mint. Ripe tomato, mushroom and barnyard smells are common descriptors for identifying. When done right it is like liquid silk, gently caressing the palate.

Merlot and Merlot Blends

Merlot is a red grape that is used both as a blending grape and for varietal wines. Merlot based wines usually have medium body with hints of berry, plum and currant. Its softness and fleshiness, combined with early ripening, makes Merlot an ideal grape to blend with the late-ripening Cabernet Sauvignon.

Grenache and Grenache Blends

Grenache is probably the most widely planted variety of red wine grape in the world. It ripens late and needs hot dry conditions. It is generally spicy and berry flavoured. The aromas are very powerful, including menthol, liquorice and black pepper. Because of its strong traits Grenache is usually blended with other grape varietals such as Shiraz and Mourvedre.

Pinotage

Pinotage is a red wine grape that is South Africa's signature variety. It was bred there in 1925 as a cross between Pinot Noir and Cinsaut (Cinsaut was known as Hermitage in South Africa during that time, hence the portmanteau name of Pinotage). It typically produces deep red varietal wines with smoky, bramble and earthy flavors, sometimes with notes of bananas and tropical fruit.

HOWARD PARK

WINES OF WESTERN AUSTRALIA

Established in 1986, Howard Park Wines is Western Australia's leading family owned winery, with an international reputation for crafting balanced and elegant wines of distinct regional character. Howard Park is a dual regional producer, with vineyards and cellar doors in both of Western Australia's premier grapegrowing regions; Margaret River and the Great Southern.

2013 Howard Park Miamup Sauvignon Blanc Semillon \$55

A warm aroma of summer fruits with spicy hints of lemon verbena and vanilla pod. The palate is dominated by fruit, ruby grapefruit; custard apple; gooseberry and quince, all decadently ripe. Lemon curd and citrus oil both zesty and rich add tartness and texture to the palate which is finished with a mineral acidity.

2012 Howard Park Miamup Cabernet Sauvignon \$60

This Margaret River cabernet sauvignon has aromas of blackberry, earth and dried herbs finishing with coffee, vanilla and toasted oak characters. On the palate there is soft vanilla and luscious forest fruits give way to a savoury, meaty weight and a cocoa, coffee-like finish with lovely tannins coating the palate.

2012 Howard Park Flint Rock Shiraz \$64

Sourced from individual vineyard blocks in the Great Southern's Frankland River and Mount Barker, this wine has aromas of lush, rich plums and black cherry with vanilla and black pepper spice. On the palate it is a delicate shiraz with primary fruit notes of blackberry followed by hints of nutmeg and smooth, dark, velvet chocolate.

2013 Howard Park Leston Cabernet Sauvignon \$86

This wine is sourced from the Leston vineyard in Margaret River. It has rich aromas of cinnamon and blackcurrant with underlying bay leaf, finished with warm tobacco flavours. On the palate is luscious and dense blueberry and plum layers with a hint of cedar. Underlying cinnamon complexity, with a hint of leather.

2013 Howard Park Scotsdale Shiraz \$90

The Scotsdale shiraz has concentrated cool climate notes of satsuma plum, black cherry, molasses, mocha and cracked pepper. The palate has a focused and dense core of red flesh fruits. Mineral notes of graphite, dry savoury herbs and sweet oak gently season this restrained yet powerful wine.

2012 Howard Park Abercrombie Cabernet Sauvignon \$165

The Abercrombie is Howard Park's flagship wine, often touted as one of Australia's best cabernet sauvignons. Our most premium grapes are used to produce a wine which is rich in classic cabernet notes, with a powerful presence, a sweet core and lasting flavours that will reveal and reward with time.

Shiraz/Syrah & Shiraz Blends

In 1831, the Scotsman James Busby, often called "the Father of Australian viticulture", made a trip back to Europe to collect cuttings from vines (primarily from France and Spain) for introduction to Australia. The cuttings were planted in the Sydney Botanical Gardens, and in Hunter Valley, and in 1839 brought from Sydney to South Australia.

Dessert Wine 375ml

Semillon and Riesling produce most of Australia's 'sticky' wines. We offer a selection of Botrytis or Noble styles where the Botrytis fungus attacks the grapes and increases their sugar levels. These wines show complex characters of lemon, apricot and honey. Cordon or Cane Cut, are where the vine branches (cordons) are cut and the fruit is cut off from the nutrients of the rest of the vine increasing the sugars in the grape, often producing a lighter style than Noble rot wines.

		Glass 90ml	Bottle
2013 Westend 3 Bridges Botrytis Semillon	Riverina, NSW	11.5	49

A fine green-gold colour with rich fruit power, this wine also exhibits botrytis influence. A refined palate of cumquat, wild honey, quince and pear characters offset by clean and long lingering acidity.

2011 Gramps Botrytis	Barossa Valley, SA		49
----------------------	--------------------	--	----

Gramp's Botrytis Semillon is deep golden in colour and displays intense apricot and marmalade botrytis fruit flavours and a luscious lingering finish.

NV Tyrrell's Aged Liqueur Verdelho	Hunter Valley, SA		60
------------------------------------	-------------------	--	----

A traditional and unique Hunter Valley fortified made from partially fermented Verdelho grapes and a high quality, nine year old brandy spirit. Matured in small French oak barrels for approximately ten years resulting in a full flavoured and character filled dessert wine with a long and smooth finish.

2013 Vasse Felix Cane Cut Semillon	Margaret River, WA		54
------------------------------------	--------------------	--	----

Vasse Felix Cane Cut is produced from Semillon using the Cane Cut method, where each fruiting cane is detached from the vine. The bunches are left hanging until the fruit has dried and concentrated in flavour and sugar. Once harvested and pressed, a portion of the juice is fermented in French oak. The lovely viscous, silky mouthfeel with focused mineral acidity results in a truly delicious dessert wine.

2009 Muscat de Beaume de Venise	Southern Rhone, France		65
---------------------------------	------------------------	--	----

This luscious cru from the Muscat grape is an outstanding example of this famous appellation of the southern Rhone Valley. Produced from rugged, low yielding hillside vineyards, the wine from Domaine de Coyeux has a rare concentration of flavour, elegance and finesse, developing subtle and complex aromas reminiscent of apricot, acacia, citrus fruits and honey. An ideal dessert wine, it is also delicious as an aperitif and as an accompaniment to Foie gras.

2011 Carmes de Rieussec	Sauternes, France		70
-------------------------	-------------------	--	----

Brilliant golden colour with pale gold hue. The nose shows excellent intensity with lifted scents of ripe peach, apricot and honey followed by some tropical fruit and spice notes. Thick, luscious and very concentrated the palate boasts superb richness with mouthfilling flavours of honey, ripe peach and tropical fruits followed by some honeycomb and spice.

Port & Sherry

When Sherry is made, the fermentation process is allowed to run its course before brandy is added, but when Port is made, brandy is added during fermentation. This means that Sherry is drier and Port normally sweeter.
