

MEAT
DISTRICT
CO.

Inspired by the paddock to the plate,
Meat District Co. aims to bring a NEW kind of dining to Sydney

Meat District Co. works in partnership with some of Australia's most sustainable producers delivering an experience & dishes that tick all the boxes when it comes to quality & taste, leaving you wanting more each & everytime: an ADDICTION waiting to be savoured.

We remember a time when beef came from a farm & not a factory - when '100% beef' was actually from a cow. Meat District Co. has decided it is time to bring the farm to your doorstep.

Let the addiction begin - an addiction which is good for the soul

Starlight
**DISH UP
A WISH**

STARLIGHT

At Meat District Co. we are working together w. Starlight Children's Foundation & their Dish Up a Wish initiative to help grant the wishes of seriously sick children.

Throughout November, December & January we are donating **\$1** from every dessert sold to help make sick kids dreams turn into reality.

A Starlight Wish is like a dream come true for a seriously ill child or young person. Sharing a special, once-in-a-lifetime wish brings a family together, and is an experience that stays with them forever.
